Dear County Comptroller Masterpole,

I am contacting you on behalf of the membership of Plumbers & Steamfitters Local 81. It is with great pleasure that we offer to you our local's endorsement of your re-election to continue to represent Onondaga County as County Comptroller.

Our hope is that you will accept this endorsement and that the support from the working men and women of this organization will aid in your successful re-election.

We feel that you will continue to support and fight for the issues that will help benefit not only the 1,500 union members that make up our local, but also all the working families in our State. We will notify all our members and their families to let them know of this endorsement and encourage them to support you on Election Day.

We look forward to our continued work with you in the future and hope that your campaign will be successful.

Sincerely,

Greg Lancette
