To: Candidate for Onondaga County Comptroller – Marty Masterpole

Re: Endorsement for Election

Dear Mr. Masterpole,

Roofers Local #195 is proud to be giving its endorsement to you for your election campaign for Onondaga County Comptroller. Your support in Onondaga County would be an asset to everyone in Onondaga County and the membership of Roofers Local #195. We know that you will have a dignified “above-board” campaign and you will not be willing to compromise your high values for a few votes.

These are not the best of times for Union members. However, Roofers Local #195 is assured that you will be in the corner of the hard working men and women of our community, making sure our voices are heard. We are confident you will do your best. The Officers, Members and Staff of Roofers Local #195 send their best wishes for a successful campaign.

Sincerely,

Gary Swan
