Dear Mr. Masterpole:

I am contacting you on behalf of the membership of IBEW Local Union 43. It is with great pleasure that we offer our union's endorsement for your candidacy for office.

Our hope is that you will accept this endorsement and that the support from the working men and women of this organization will aid in your successful bid for political office.

We feel that you will support and fight for the issues that will help not only the 1,500 union members that make up our local union, but all the working families in your area. We will notify all our members and their families that live in your area to let them know of this endorsement and encourage them to support you on Election Day.

We look forward to working with you in the future and hope that your campaign will be successful. Please do not hesitate to contact us if we can be of assistance to you.

Best Wishes.

Sincerely,
