Dear County Comptroller Masterpole,

It is with great pleasure that I would like to extend to you the endorsement of the management and 5,000 members of the Central & Northern New York Building Trades (CNNYBT). We hope that our support will aid you in your re-election for County Comptroller of Onondaga County.

Support for unions, and their goal of a respectable standard of living for all workers, is more vital than ever in these times. The CNNYBT would like to thank you for your distinguished efforts in championing organized labor. We are appreciative of your encouragement of this worthy objective; and look forward to continuing to work together.

Sincerely,

Greg Lancette
President
